Second District Congressman Brad Carson (D-OK) will be holding a town hall meeting at the Muskogee Veteran Affairs Medical Center on Friday, January 25th from 2:00 – 3:00 pm. The town hall meeting will focus on homeland security issues and what role citizens can play in helping with local and national defense.

The town hall will take place in the 2nd floor auditorium of the Muskogee VA Medical Center and the community is invited to attend.

“I am looking forward to speaking with the citizens of Muskogee about issues of homeland security,” said Congressman Carson. “I think we can all play a vital role in defending our country during this time of war and it is important that every citizen is equipped with the most up-to-date information available.
